Introduction

The University of Iowa is committed to a climate that respects and values diversity and inclusion, to the recruitment and retention of students, faculty and staff who contribute to diversity, and to administrative procedures and programs that support these initiatives. *The Strategic Plan for the University of Iowa, 2016-2021* recognizes diversity as a core value of the UI that sets us on the path towards promoting excellence in education by increasing the diversity of the faculty, staff and students and providing a welcoming and inclusive climate for all members of our community.

The College Bound and IMAGES programs foster the university's diversity goals by supporting outreach to Iowa minority students. The purpose of this outreach is to encourage them to pursue opportunities in higher education and to provide financial support to help them realize their goals. The College Bound and IMAGES programs are important to the university's wider efforts to promote and maintain a culturally diverse learning environment. Additional university programs of community outreach, financial aid and scholarships, cultural centers, academic support programs, cultural studies courses and curricula, multicultural campus organizations and performance groups, cultural events and celebrations, and other resources are used to support these outreach efforts and create a welcoming and supportive campus environment for all students, faculty and staff.

At the University of Iowa, the Executive Vice President and Provost, through the Chief Diversity Officer and Associate Vice President, oversees and coordinates many of the university's diversity efforts. Together, with assistance from the Office of Admissions, they administer the College Bound Program, and with the Office of Student Financial Aid, the IMAGES program.

This report summarizes College Bound activities and IMAGES scholarships awarded during the 2017-2018 academic cycle. Information for the report has been compiled from data available July 1, 2017.

COLLEGE BOUND

Purpose and Funding Allocation (Table B) - College Bound and IMAGES were established by the Iowa Legislature. These programs are intended to provide Iowa minority students with information and experiences relating to opportunities offered at the Regents universities. Consistent with these purposes, the University of Iowa has developed a range of programs for elementary, middle, and secondary students and their families that include academic enrichment, encouragement to consider attending a post-secondary institution, and admissions information. Funds are allocated annually from the University of Iowa General Education Fund to support the College Bound program. In 2017-2018, \$176,964 was expended to support these efforts.

Three of the most successful programs are the Pen Pal Program with West Liberty Elementary School, the Summer Enrichment Institute with Iowa City middle and high schools, and the Latinx Youth Summit, which just celebrated its 20th anniversary. Additional details and specific outreach and recruitment activities in 2017-2018 conducted under the College Bound Program are listed and described in the **Appendix**.

College Bound Participation (Table F2) - For academic year 2017-2018, a total 2,147 Iowa resident students in kindergarten through twelfth grade participated in College Bound programs hosted by the University of Iowa. This total includes 2,128 ethnic minority students, 13 white, non-Hispanic students, 1 international student, and 5 students of unknown ethnicity. Participation of students in a College Bound program activity is recorded by the university and vouchers are issued to secondary school student participants (grades 7-12). Upon enrollment at a Regents institution, voucher recipients are given priority in the awarding of funds under the IMAGES program.

College Bound/IMAGES Vouchers (Table E2) - In 2017-2018, a total of 1,964 Iowa resident minority students in grades 7-12 participated in a College Bound/IMAGES voucher activity through the University of Iowa or through a program jointly sponsored with Iowa State University and the University of Northern Iowa. A College Bound voucher was sent to each qualified student.

College Bound Admissions and Enrollment (Table 1) – This table notes the number of entering Iowa resident freshmen (1st year) and undergraduate new transfer students who applied, were admitted, and enrolled for the fall 2017 term at the University of Iowa. A total of 7,987 applications from Iowa resident freshmen and new transfer students were received, including 1,387 from minority students. A total of 3,646 Iowa resident students matriculated (net enrollment), of which 548 were minority students.

IMAGES Awards

IMAGES awards of up to a maximum of \$3,500 per year are made to Iowa resident minority students who demonstrate financial need. IMAGES awards may be received for up to eight semesters and students must be making satisfactory academic progress toward their degrees.

Total Award Numbers and Dollars (Table A) - At the University of Iowa, a total of 233 Iowa resident minority undergraduate students received IMAGES grant awards for the 2017-18 academic year. These students received a total of \$633,802

Awards to College Bound/IMAGES Voucher Recipients - Of the 233 students receiving an IMAGES award, 121 are College Bound/IMAGES voucher recipients receiving \$320,421.

IMAGES Grant Awards and Ethnicity (Table C) - IMAGES awards were distributed to the following racial/ethnic minority groups:

The University of Iowa initiated the Advantage Iowa (AI) Program in 2007-08. AI was designed to enhance recruitment and retention outcomes for all SUI underrepresented students. University funds previously allocated to provide added financial support beyond the required \$630,000 IMAGES annual budget are now used to fund this critical AI initiative. Total support of \$2,360,137 for underrepresented Iowa residents includes \$633,802 IMAGES and \$1,726,335 Advantage Iowa.

COLLEGE BOUND ACTIVITIES

Background

Reporting to the Chief Diversity Officer and Associate Vice President, the Center for Diversity and Enrichment (CDE) brings together under one umbrella a variety of programs and services that help create a welcoming climate for students, staff, and faculty from communities underrepresented in higher education. The Office of Admissions along with CDE provides leadership and coordination for K-12 outreach and service to underserved SUI students from diverse backgrounds, including students of color, first-generation students, and students from low-income families. These efforts emphasize focused school and community partner contacts.

CDE is also the home of Upward Bound, a TRIO program funded by the U.S. Department of Education. In existence for 51 years, Upward Bound works extensively with underserved students and families during the academic year and invites them to a residential summer program or summer bridge each summer of their high school year. In 2017-2018, the communities served by Upward Bound were Muscatine, West Liberty, and Columbus Junction.

Campus Visits

- **College Bound Campus Visits:** The Office of Admissions organizes and conducts the Special Group Campus Visit Program that brings minority and first-generation student groups to campus. High school students meet with staff from the Offices of Admissions, Financial Aid, Center for Diversity and Enrichment, and a student panel. An additional academic component consists of group visits with faculty from various disciplines. Students also receive a campus tour and have the option to eat in one of our dining centers. Several campus visits are designed for family participation in order to encourage parents to learn about the University of Iowa. Where appropriate, efforts are made to provide Spanish translation.
- **GEAR UP (Gaining Early Awareness and Readiness for Undergraduate Programs):** The Mission of GEAR UP is to significantly increase the number of students who are prepared to enter and succeed in postsecondary education. Beginning in the 2006-2007 academic year, the University of Iowa began a partnership with seventh graders from middle/high schools throughout Iowa, and this partnership continues today. The university provides campus visit opportunities for students and their families several times a year. Campus visits are organized around students' career interests. GEAR UP received a new seven-year grant and we work collaboratively to help support their college outreach efforts and bring their students to our campus.
- **Diversity Sessions in Visit Days:** The Office of Admissions and CDE host various campus visit days throughout the fall and spring for prospective students and their families. These campus visit days include various diversity sessions geared towards providing specific diversity related support and information to students and families of color. During these visit days, different departments, offices and colleges throughout the campus community are

involved to help educate the students about the different programs, majors and services we provide. Information about admission, housing, financial aid, student life, cultural centers, diversity related resources, and other opportunities are shared. During the 2017-2018 academic year, Admissions offered the diversity session 20 times and 26 Iowan resident minority students took part.

- **Advantage Iowa Students Campus Visits:** Mileage reimbursements were provided to 69 Iowan high school students who were admitted to the University of Iowa and who received the Advantage Iowa Award, but had not visited the campus. These students were invited to visit in the spring.
- **College Fairs:** The Office of Admissions and the Center for Diversity and Enrichment attended college fairs and diversity recruiting events throughout the state to provide minority students information about the University of Iowa. Students were provided information on admission requirements, scholarships, programs and majors, cost of attendance, and what it's like to be a student at the University of Iowa.

Pen Pals

- **Pen Pal Partnerships with West Liberty Elementary School:** West Liberty elementary students in fourth grade are matched with University of Iowa student pen pals. The goals of this program are to provide students with positive role models, to increase their motivation for academic success and to help them see that college is possible. The West Liberty participants visited campus on October 13, 2017 and on April 10, 2018 to meet with their pen pals. The Center for Diversity & Enrichment provided them with a campus tour as well as a tour of the CDE office. Students interacted with CDE staff who explained their roles at the University of Iowa. They also visited the Museum of Natural History and the Old Capitol Museum.

Summer Programs

- **Iowa First Nations:** In July 2017, 16 Native American high school students took part in the Iowa First Nations program, which is a summer residential program that allows participants to experience the university setting, explore majors, and gain an appreciation for the variety of opportunities on the University of Iowa campus and higher education in general. The participants attend structured classroom seminars and field trips to various campus departments, enjoy hands on classroom experiences, and have the opportunity to get involved in social and recreational activities on campus and in the community. Participants also engage in cultural activities geared towards community and identity building. This program occurs annually.
- **Upward Bound:** The University of Iowa Upward Bound Project held a six-week residential summer program for 68 high school students from West Liberty, Columbus Community, and Muscatine High Schools. There were 56 rising students placed in enrichment classes to delve

into subjects with detail greater than what is offered by most public schools. 12 senior

students that recently graduated from high school were enrolled in a University of Iowa bridge course that could be later transferred to their institution of choice. 46 high school students also participated in cultural activities and a field trip to Memphis called “Week of Learning on the Road.” The field trip involved a tour of three college campuses: University of Mississippi, Rhodes College, and University of Memphis. Additionally, students partook in museum visits and a variety of cultural attractions such as the Stax Museum, Sun Studio, National Civil Rights Museum, and Slave Haven Underground Railroad Museum.

- **Summer Enrichment Institute:** This was a three-week, non-residential summer program that allowed the Center for Diversity & Enrichment to host 27 students from June 7 – July 20, 2018. The students served by this program are African American and Latino students from Iowa City high schools. While on campus, the students attended math and science courses taught by Iowa City high school teachers. They also were required to read 3 culturally specific memories and were provided copies to keep. Each student worked with a peer on a science project and presented their project and findings to a panel of judges. Some of the science fair projects involved testing water quality (bottled vs. tap), testing which food product produced the most electricity and if temperature of the food affected the voltage produced, and testing how sugar affects mental capacity. Students also were asked to do a closing presentation on a topic that resonated with them in a TED Talk format. Topics included sustainability, suicide prevention, beauty standards, girls in sports, classism, colorism, and gender bias. They also participated in community building activities and went on tours of various university spaces including the library, museums, etc. The program concluded with an educational field trip to Wisconsin.

On-Campus Programs

- **CDE Graduation Reception:** Approximately 300 individuals, including prospective students and their families, attend this annual event hosted by the Center for Diversity & Enrichment. This reception is designed to recognize diverse students receiving professional, graduate, and undergraduate degrees from the University of Iowa and inspire younger students to pursue college and persist to graduation. Collegiate deans and department directors present awards to the outstanding students from their units. In addition, students confer an award on a faculty or staff member who has worked to enhance diversity in all aspects of campus life.
- **Multi-Ethnic Engineering and Science Association (MESA):** University of Iowa College of Engineering students assist in on-campus tutoring of minority students in the Iowa City Community School District (ICCS). Dr. Tonya Peeples, UI College of Engineering, administers this program through the ICCSD.
- **Storm Lake Scholars:** The Storm Lake Scholars Program is designed to help qualified first generation students from Storm Lake High School realize their potential and find a home at the University of Iowa. During the fall 2017, staff from the Center for Diversity and Enrichment, Office of Financial Aid, Study Abroad, and Admissions met parents and

students to discuss the application process and financial aid options. The goal was to have 10 students from Storm Lake come to the University of Iowa in the fall of 2018. The majority of

the students (99%) who are recruited and awarded the scholarship identify as an underrepresented racial/ethnic minority. The Center for Diversity and Enrichment and Admissions collaborate to conduct campus tours for the Storm Lake Juntos Program, which serves Hispanic/Latino(a) students in Storm Lake High School.

- **Kappa Kids:** Kappa Kids is a youth group run by Kappa Alpha Psi fraternity and strives to help boys become men. As part of their programming, third, fourth, and fifth grade African American/Black students from Kirkwood Middle School in Coralville, IA visit the University of Iowa campus to learn about the college experience. The Center for Diversity and Enrichment hosted Kappa Kids in fall 2017. Students listened to an Admissions talk about what it means to want to go to college, took part in academic activities via the College of Engineering, and ate lunch in Burge Hall.

Off-Campus Programs

- **PreView Iowa – Storm Lake:** Students and their families were invited to PreView Iowa in Storm Lake, IA to learn more about the diverse opportunities students from Iowa and across the country experience every day at the University of Iowa. Opportunities were available to meet current students and both Admissions and the Center for Diversity & Enrichment staff as well as learn about admissions, scholarships, financial aid, housing, student life, and services from CDE.

Co-sponsored Programs:

- **The Annual Latinx Youth Summit: “Strengthening and Valuing Latinx Communities in Iowa”:** This is an annual conference for Iowa high school students. The focus is Hispanic/Latino(a) history, culture, and community concerns. It provides an opportunity to explore the changing demographics and dynamics of the Iowa Latinx community and for participants to engage in cultural exchange and community building. The Summit is also an opportunity for Iowa Latinx high school students to gain essential leadership skills. The 19th Annual Latinx Conference took place October 18, 2017 and was sponsored by the Center for Diversity and Enrichment, UI School of Social Work, Kit Gerken with College of Education, the Tippie College of Business, and the Office of Admissions. Dr. Julio Camarota delivered the keynote and discussed the significance of cultural identity, education, leadership, and self-advocacy as they pertain to Latinx youth.
- **Teen Summit:** The Teen Summit was developed by the Alumnae Chapter of Delta Sigma Theta sorority to help African American high school students in the Iowa City-Cedar Rapids community acquire the tools necessary for personal and professional success. Through a series of workshops on topics including strategies for building healthy relationships, improving self-esteem, etiquette training, and college preparation, the program focuses on developing interest in college among participants.

Other College Bound Activities

- **Publications:** The Office of Admissions and the Center for Diversity and Enrichment publications provide additional resources for individuals interested in the University of Iowa. Some of these updates include the websites (<http://diversity.uiowa.edu/cde>), (<http://admissions.uiowa.edu/diversity>) and information sheets on college preparedness and Regents Admissions Standards. Prospective minority students receive the “Opportunity + Community” brochure that highlights current minority student, faculty and staff experiences at the University of Iowa and includes a message from our Chief Diversity Officer. We also provide Latinx, African American, Asian American, Native American, and LGBT students with postcards highlighting diversity, academic, and support resources on campus specific to their identities.

- **Electronic Communications:** Multiple emails are sent to pre-college students from both the Center for Diversity and Enrichment and Enrollment Services in the spring that focus on campus diversity resources, information about student life, FAFSA completion, housing application submission deadlines, admission acceptance processes, applying for scholarships, and encouraging campus visits.
