Inclusive Education and Strategic Initiatives

Recommended UI LibGuides

*What are LibGuides?* LibGuides (or Library Guides) are essentially mini-websites created by librarians to help patrons learn or gain more information about particular strategies or topics. There are LibGuides for using library resources, doing research, for specific courses, and much more! They are a tool that librarians use to put resources and information together online.

This is a curated list of recommended UI LibGuides that have been created from across campus.

Division of Diversity, Equity, and Inclusion LibGuide

We are excited to collaborate and partner with the University of Iowa Libraries to provide the following resource and connection hub. Whether you are new to the topics of diversity, equity, and inclusion or an experienced social justice activist looking for a deeper dive, we invite you to explore the contents of this guide.

In this guide, you will have the option to browse our curated collection of materials as well as find specific resources for your questions, tasks, and responsibilities. We acknowledge that there are many different perspectives and resources about diversity, equity, and inclusion—we offer the following suggestions not as a definitive list but as jumping off points for further reading, study, and dialogue. We encourage all visitors, regardless of experience level, to review the institutional definitions below as well as the definitions included on each page. By reviewing a core set of definitions, we can reinforce what we know, remind ourselves of what we’ve forgotten, and ultimately communicate more effectively with each other.

Latinx

The University of Iowa prohibits discrimination in employment, educational programs, and activities on the basis of race, creed, color, religion, national origin, age, sex, pregnancy, disability, genetic information, status as a U.S. veteran, service in the U.S. military, sexual orientation, gender identity, associational preferences, or any other classification that deprives the person of consideration as an individual. The university also affirms its commitment to providing equal opportunities and equal access to university facilities. For additional information on nondiscrimination policies, contact Office of Institutional Equity, the University of Iowa, 202 Jessup Hall, Iowa City, IA 52242-1316, 319-335-0705, die-uid@uiowa.edu.
