CALL FOR POSTERS

The Professional Development Institute is pleased to announce the call for posters for the 18th Annual Iowa Latinx Conference. In efforts to provide Latinx students with an opportunity to gain experience with poster presentations, this year’s conference asks both undergraduate and graduate students to reflect on research that has guided their work across their academic pursuits. We invite students to submit posters across various academic interests. Both qualitative and quantitative research posters are welcome. Proposals should be submitted to Dr. Maria Bruno at maria-bruno@uiowa.edu.

Please include the following in your proposal:
Poster Title
Presenter(s) Name(s) and Vita(s)
College/University Affiliation
Email Address
Abstract (200-250 words)
   Include poster description
   Research summary and goals
   Target audience

Posting space will be approximately three feet wide by four feet high. Incomplete proposals will not be considered for selection. The information included in the proposal, including all attachments, may be used for conference program. Please be sure that poster title and abstract are accurate and complete to include a brief bio for each presenter. Poster proposals are due no later than August 31, 2016 (firm date). Poster acceptance is considered provisional, pending email confirmation of acceptance from Dr. Maria Bruno.

Posters will be judged based on the following criteria; clear communication reflective of research; overall impression of student’s research achievement; poster aesthetics and professionalism.

Cash awards will be given accordingly:
1st $300
2nd $250
3rd $200

Notification of selection will take place no later than September 12, 2016. If you have any questions, please contact Dr. Maria Bruno at maria-bruno@uiowa.edu 319-335-7294 or Elizabeth Lara at elizabeth-lara@uiowa.edu 319-335-3555.
