How to use the MVSS Facilities after hours:

1. You can access the computer lab between 5-10 p.m. Monday-Thursday and from 5-6 p.m. on Friday through our private outdoor entrance.

2. The entrance is on the west side of the UCC to the left of the entrance that leads to CVS.

3. Look for a glass door that says: “Military & Veterans Student Services”.

4. Swipe your University ID card at the access point, then use the stairs or elevator to reach our space on the 3rd floor.
